

StepUp

THE STEPUP AWARD OF EXCELLENCE IN INNOVATION AND LEADERSHIP: Honouring Vikram Singh

Individuals unable to complete the Google Form may submit a written response using the information below

The annual StepUp Award for Excellence in Innovation and Leadership recognizes outstanding individuals who embody Vikram Singh's spirit and desire for continuous advancement through inclusive collaboration within the energy sector. StepUp will award CAD \$1,000 to the applicant that most embodies Vikram's passion for furthering the evolution of the energy sector through innovations like modernizing the grid and electrification while also ensuring diversity, equity and inclusion principles are at the forefront of their work.

Nomination Requirements

- Individuals may nominate themselves or a colleague.
- Nominees must provide a letter of support, provided by a colleague, supervisor, mentor, or another individual who can speak to the nominee's work and community efforts. Letters of support can be attached to the email alongside the responses to the questions below.
- Interested applicants should be Canadian citizens or permanent residents.
- **Nominations are due no later than Sunday July 31st, 2024 at 11:59 PM EDT in word or PDF format filling out the information below and sending it to info@stepup-energy.com.**
